

Integrated Space Flight Operations

NASA and International Partner Control Centers - Present and Future

NASA ISS Control Centers

**Johnson Space Center
Houston**

Mission Control Center (MCC-H)

**Kennedy Space Flight Center
Cape Canaveral**

Shuttle Firing Room

**Johnson Space Center
Houston**

ISS Flight Control Room

**Marshall Space Flight Center
Huntsville**

Payload Operations & Integration

ISS Control Centers

TsNIIMASH
Korolev

ISS Mission Control Center(Moscow)

St. Hubert
Canada

MSS Control Room

Tsukuba
Japan

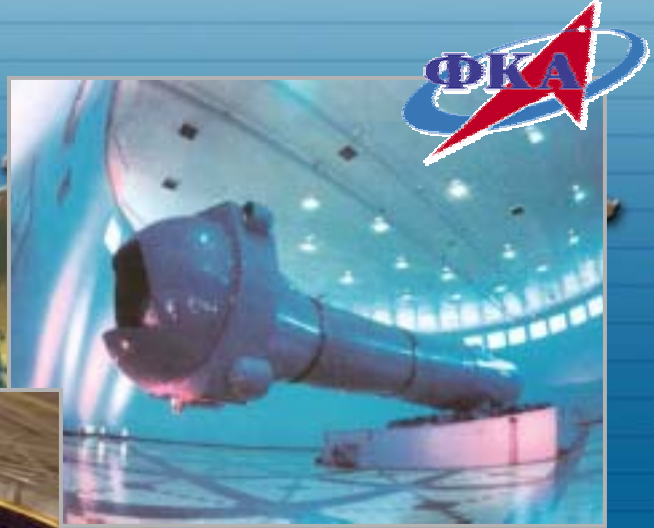

JEM Mission Control Room

Oberpfaffenhofen
Germany

Columbus Lab Control Room

ISS Training Centers

A photograph of the Space Shuttle Challenger during its ascent. The orbiter is visible in the center, attached to the external tank and solid rocket boosters. The boosters are the large, white, cylindrical structures on either side of the tank. The orbiter has a white base with a black stripe and the word "CHALLENGER" in black letters. The background is a clear blue sky.
